

The Hong Kong Institute of Chartered Secretaries Enhanced Continuing Professional Development (ECPD) Training

Purposeful Governance: A Stakeholder Responsive Approach to Surviving/Flourishing under A New Economic Order – To Learn and Respond to Where Practical Governance is Heading & Attract Investor Interests

21 January 2021

Presenter:

Mr John Sequeira

Mr John Sequeira is a partner in Bain & Company's Hong Kong office. He leads the firm's APAC Advanced Manufacturing & Services practice. He is also a leader in the firm's Energy & Natural Resources, Mergers & Acquisitions and Private Equity practices.

He has more than 20 years of consulting experience with Bain.

John has extensive experience supporting clients in the crop protection and performance chemicals industries on a range of topics, including business unit strategy, corporate M&A and M&A due diligence, as well as integration.

John also has deep consulting experience in financial services, including work with banks, insurance companies and private equity funds across North America, Europe and Asia.

John's insights have been widely quoted and have appeared as published articles in banking and international business publications including Business Week, The Asian Wall Street Journal, Reuters, Bloomberg and The Asian Banker.

He earned an MS from the University of Baroda, India, and an MBA from IMD, Switzerland.
